SPRING BREAK

The 2017/2018 school year is going by at a dizzying pace here at Broadway Kids Studio. Our busiest time of the year takes place right after Spring Break as we close out our year with performances from our Musical Theater and Advanced Acting class students, Dance Competitions, our massive Annual Showcase Weekend, and our final production of the year Heathers the Musical. Auditions in early April!

All current After School families should be on the lookout for the renewal letter that will give you first right to keep your spot in the After School Program for next year. Renewals will take place in April and open enrollment will be available to the general public on May 1. Do not lose your spot!

Why we dance.

A dance competition took place this past weekend. Music for Jaime Guttenberg's solo music played on a bare stage. It received a 5 minute standing ovation. Jaime along with 16 others died in the tragedy at Stoneman Douglas. To honor her, our studio and many across the entire country will be wearing orange ribbons at competitions... Jaime's favorite color and ironically the color for awareness against gun violence.

Like so many of our students, Jaime loved to dance. Our students dance because it brings them joy, happiness, confidence. It gives them a place to call home, a team to call family and goals to strive for. As we start competition season, we have a renewed appreciation for what a treasure it is to just have an opportunity to dance, to sing, to perform.

We do not dance for trophies or medals, awards or overalls. We dance because we still can while others unfortunately can no longer. Broadway Kids Studio dedicates this competition season to Jaime and all those who can no longer dance.

Upcoming performances & auditions.

Broadway Kids Studio's Production of The Drowsy Chaperone takes place on Sunday March 11th.

Winner of five Tony Awards, including Best Book and Best Original Score, The Drowsy Chaperone is a loving send-up of the Jazz Age musical, featuring one show-stopping song and dance number after another.
